You understand that the Account is not a consumer credit account and that important duties and rights applicable to consumer credit accounts do not apply to the Account. You agree that a breach by you of this Section 5 will not affect our right to enforce your promise to pay for the credit extended to you, including related charges, or to use any remedy legally available to us, even if that remedy would not have been available had the Account instead been established as a consumer credit account.

6. AUTHORIZED PURCHASERS You authorize us to rely on the representations of persons representing themselves to be your authorized agents with authority to make purchases against your Account, including purchases made through any user accounts or access credentials you have authorized or established.

Payment of the entire balance is due in full by the 10th day of the month (or the next business day if the 10th is a weekend or holiday), unless otherwise indicated on your Billing Statement.
- b. If your Account is established as an invoice billed account, we will send you an invoice for each transaction. Payment of the transaction balance reflected in the invoice is due in full by the date indicated on your invoice.

If you choose to make a debit or credit card payment, you agree to pay the non-refundable Debit Card or Credit Card Payment Processing Fee that we add to the payment amount. All payments must be mailed, delivered, or sent to us in accordance with the remittance instructions provided on the invoice or billing statement. - c. To the extent permitted by applicable law, if we accept any late payment or partial payment (whether or not marked as payment in full), such acceptance will not: affect the due date of any other payment due under this Agreement, act as an extension of time or a waiver or satisfaction of any payment or amount then remaining unpaid, or modify any of our rights under this Agreement. Any conditional check, money order, or any other instrument tendered with a restrictive endorsement or as full satisfaction of a disputed debt to us must be sent in writing to Mid Michigan Metal Sales, c/o Resolve Corp., 2261 Market Street #4229, San Francisco, CA 94114 and must conspicuously state on the face of the instrument or in an accompanying letter that it is tendered for such purpose. If you make payment in any other way and we accept it, we will not have waived or modified any right to collect any amount from you owing under this Agreement.

10. LATE FEES Outstanding balances not paid by the 15th day after the applicable due date will be considered delinquent. For each billing cycle for a statement billed account, or each 30-day period for an invoice billed account, in which there is a delinquent balance, your Account will be assessed a 3% late fee of the outstanding balance and an additional \$29.00 processing fee (or, in each case, if

less, the maximum late fees permitted under the law). No such Fees are imposed if the Account balance shown on your previous Billing Statement is zero or if the Account balance is paid in full by the due date indicated on your Billing Statement.

11. RETURNED PAYMENT FEE We may impose a returned payment fee of \$20.00, if any check, debit or credit card or other instrument sent to us, or any electronic payment authorization you provide us in payment on your Account is not honored upon first presentment (or, in each case, if less, the maximum returned payment fees permitted under the law), even if the check, instrument or electronic authorization is later honored.

12. SECURITY INTEREST To secure your obligation to us with respect to goods or services purchased, you hereby grant to us, and we retain, a security interest, except in Puerto Rico, under the Uniform Commercial Code in all goods you purchase with financing provided under your Account (except in New York on any purchase under \$200) until the purchase price for those goods is paid in full (in New York, not to exceed five years from the date the purchase is posted to your Account). This security interest permits us to have and exercise the rights of a secured party holding a purchase money security interest under the Uniform Commercial Code, including, under certain circumstances provided for by law, the right to take back, or repossess the goods if you do not pay for them under the terms of this Agreement. In New York, no security interest will be retained or acquired under this Agreement in any motor vehicle or in any goods likely to be affixed to a motor vehicle or real property so as to become a part thereof. You agree and consent to us filing any financing statements, other documents, or instruments, or delivering any notices, we consider necessary or appropriate to perfect our security interest in the goods purchased by you on your Account.

13. TERMINATION OR SUSPENSION You may at any time on written notice to us at the address set forth in Section 21 terminate this Agreement with respect to future use of your Account. We may, at any time, without advance notice to you and subject to applicable law: (a) terminate this Agreement; (b) limit or terminate the use of your Account; or (c) terminate or suspend your right to make future purchases. Regardless of any limitation, suspension, or termination hereunder, you will continue to be obligated to pay all amounts owing under, and to otherwise perform the terms of, this Agreement, and all of our rights will continue in full force and effect until all of your obligations are fully satisfied, including payment of Fees, which we will continue to impose until the date full payment owing on your Account is received.

14. AMENDMENT We may, at any time and subject to applicable law, change any term or add any new term in this Agreement, including those related to interest rates, Fees or other charges, or other terms. Unless prohibited by applicable law, we may apply any changed or new terms to any outstanding balance of your Account on the effective date of the change and to any future balances created after that date. When required by applicable law, we will deliver a notice of any change(s) or addition(s) to you. No change to any term or new term in this Agreement will affect your obligation under this Agreement to pay, in full, all amounts owing under, or otherwise perform the terms of, this Agreement.

15. DEFAULT Subject to the limitations of applicable law, you are in default under this Agreement if: (a) you fail to make any payment on or before the applicable due date, or your payment is returned unpaid for any reason or cannot be processed; (b) you violate any other term of this Agreement; (c) you become the subject of bankruptcy, insolvency or similar proceedings; (d) you are a sole proprietorship and the owner dies or becomes incompetent; or (e) you make any misrepresentations or misstatements of fact in the Application, financial statement(s), or other documents provided to us in connection with this Agreement or the establishment of this Account. In any such event, and subject to the limitations of applicable law, we have the right to: (i) reduce your credit limit; (ii) terminate your Account, in which case the terms of this Agreement will apply until full payment owing on your Account is received, including Fees which we will continue to impose and you shall pay to the date of full payment; (iii) require immediate payment of your entire Account balance, including all accrued but unpaid Fees (if applicable) and all other charges provided in this Agreement; (iv) bring an action to collect all amounts owed; and (v) pursue any other legal action we deem necessary or appropriate with respect to the Account. You agree that we may, at our option, pursue to judgment and collection a separate action or actions for the Account, and exercise all rights and remedies under law or equity, in any order, and all of which shall be cumulative. If, after your default, we refer your
